advanced applied science: AQA AS GCE Applied Science portfolio and supporting activities			
Unit 1. Investigating science at work	£85		
Unit 2. Energy transfer systems	£55		
Unit 3. Finding out about substances	£85		
Unit 4. Food science and technology	£85		
Unit 5. Choosing and using materials	£55		
Unit 6. Synthesising organic compounds	£85		
advanced applied science: OCR AS GCE Applied Science portfolio and supporting activities			
Unit 1. Science at work	£85		
Unit 2. Analysis at work	£85		
Unit 3. Monitoring the activity of the human body	£55		
Unit 4. Cells and molecules	£55		
Unit 5. Chemicals for a purpose	£85		
Unit 6. Forensic science	£85		
Unit 7. The physics of sport	£85		
Scientists at Work DVD ROM			
Scientists at work	£34.50		
11-14: teaching the right science at the right time LAST FEW COPIES SPECIAL OFFER!			
set of five books ...			
<ul style="list-style-type: none"> • energy, electricity and forces • chemical and material behaviour • organisms, behaviour and health • the environment, earth and universe • interpreting how science works 	£25		
important practicals and demonstrations [CD-ROM]	£25		
all five books plus the CD-ROM	£40		
Revision Guides			
AQA GCSE Applied Science (Double Award): <i>the</i> Revision Guide	£5.95		
OCR GCSE Applied Science (Double Award): <i>the</i> Revision Guide	£5.95		
WJEC GCSE Applied Science (Double Award): <i>the</i> Revision Guide	£5.95		
AQA AS GCE Applied Science Unit 2: Energy transfer systems	£7.50		
AQA AS GCE Applied Science Unit 5: Choosing and using materials	£7.50		
AQA A2 GCE Applied Science Unit 8: Medical physics	£10.50		
AQA A2 GCE Applied Science Unit 11: Controlling chemical processes	£10.50		
AQA A2 GCE Applied Science Unit 14: The healthy body	£10.50		
OCR AS GCE Applied Science Unit 3: Monitoring the activity of the human body	£7.50		
OCR AS GCE Applied Science Unit 4: Cells and molecules	£7.50		
OCR A2 GCE Applied Science Unit 16: Working waves	£10.50
